

WEST DEAN STORES & TEA ROOM

West Dean Stores - Delivery service COVID-19

Dear Tenants and Neighbours,

During this time we are offering a free delivery service to those that are unable to, or wishing not to, leave their homes for essentials that you may need.

HOW DOES IT WORK?

- Call the stores on 01243 818 222
- Place your order from the items overleaf by 11am, if out of stock we will substitute with an alternative where possible
- Payment at time of ordering (receipts delivered with shopping).
- Delivery will be made the next day, choose AM (9am – 12 noon) or PM (2pm – 5pm)
- Door step drop - we will knock then leave your delivery at your door with no contact.

If you need anything not on the list, we will do our best to help.

If you have any mail that needs posting we will be happy to do this too.

(Stamps are also available to buy)

PRICES:

Supplies are strong, but suppliers may vary, so we cannot set prices for all products. We will endeavor to ensure we get the best value product at all times. Whilst we are not setting a delivery charge, any donation towards fuel would be greatly appreciated!
